While we are committed to providing as accurate nutritional information as possible, there may be differences between the actual nutritional content of your freshly prepared menu item and the nutritional values provided in this document. The nutritional value stated may reflect the nutritional content for a menu item in its entirety (e.g. including sides) or by separate menu component. Please refer to the description in the menu category heading to identify which values are being reflectd. The nutritional values we provide are derived using an industry-standard database, but do not account for the natural variability that occurs within ingredients; variation that occurs to the hand-crafted nature of each plate or variation that may occur due to substitutions that quests request. Please keep this in mind when making dining decisions.

Variations in ingredients and preparation, as well as substitutions, will increase or decrease any stated nutritional values.

Please refer to the information for Sides, Sauces and Dressings to calculate the nutritional information for your entire meal.
